Insurance Verification and Billing

Debbie Tessmer-Wagner, MA, LMFT (MFC#77147) is willing to help with verifying and billing of Insurance. However, please be aware verification of benefits is not a guarantee of payment. **Payment is based on the client's plan and a billable diagnosis.** Therefore, clients are responsible for any unpaid claims and balances.

I am an Out-of-Network provider. Therefore, HMO's will not be accepted unless your policy has Out-of-Network benefits.

I am not a Medicare or Medi Cal provider and am not able to bill as such. Payment will be due at the end of the session.

All Blue Cross/Blue Shield insurance will need to be paid in full at the time of service because payments are sent to the client.

Please keep in mind all Benefits are subject to change depending on your Individual or Company plan.

It is my policy to collect \$80 for each session until we have received two insurance payments with the Explanation of Benefits.

If a refund is due because of Insurance payments, I will either refund or credit your account.
